

Oregon Online Student Orientation

Students: Prepare yourself and your computer for online learning

1. Log on to <http://o2.soesd.k12.or.us/moodle>
 - a. username = o2student
 - b. password = guest
2. Click on **Student Orientation**
3. Begin at **Course Information**, and read and follow the instructions to complete the five orientation activities.

When all the activities have been completed and your counselor has completed the online registration, we will email both you and your school counselor and you may begin your class.

Summer classes begin June 21, 2010

Attention

Do you have Hotmail, MSN mail, or Yahoo mail?

Be sure to set the Spam and Junk Mail settings in your email account to receive email from Oregon Online staff (soesd.k12.or.us) as well as your online teacher! Also, please check your Junk Mail box regularly! Gmail (Google Email) seems to be the most reliable web-based email. Contact Maureen Criger at the address or phone below to receive an invitation to Gmail. (Note: Gmail may be blocked by your school.)

If you have questions, please contact Maureen Criger at 1-800-636-7453
or by email at maureen_criger@soesd.k12.or.us

Having difficulty? Check our Frequently Asked Questions page at

BE SURE TO FOLLOW ALL WRITTEN INSTRUCTIONS!

NOTE: Beginning January 2006, students MUST complete orientation in order to begin coursework, unless they have previously completed an online course with us.
