

Oregon Online Student Orientation

Students: Prepare yourself and your computer for online learning

1. Log on to <http://o2blackboard.wesd.org>
 - a. username = o2student
 - b. password = guest
2. Click on **Student Orientation**
3. Begin at **Course Information** where you will take an online survey titled, "Is Online Learning Right for Me?"

If, after taking the survey you are still interested in taking an online course, click on Assignments, where there are four activities you need to complete:

BE SURE TO FOLLOW ALL WRITTEN INSTRUCTIONS!

1. Check plugins on EVERY computer you will use

➔ ***THIS IS IMPORTANT*** to make sure your computer will work with our online resources!

2. Write, spellcheck, and save a paragraph
3. Send an email to o2registrar@soesd.k12.or.us with your paragraph ***as an attachment***
4. Participate in an online discussion

When our registrar receives your email, she will check the discussion board and the orientation quiz, and then will notify you and your counselor when all your activities are complete.

Attention

Do you have Hotmail, MSN mail, or Yahoo mail?

Be sure to set up your account to receive email from Oregon Online staff as well as your online teacher! AND please check your Junk Mail box regularly! Gmail (Google Email) seems to be the most reliable web-based email. Contact Maureen Criger at the address or phone below to receive an invitation to Gmail. (Note: Gmail may be blocked by your school.)

NOTE: Beginning January 2006, students MUST complete orientation in order to begin coursework, unless they have previously completed an online course with us.

If you have questions, please contact Maureen Criger at 1-800-636-7453
or by email at maureen_criger@soesd.k12.or.us
